This EoI is in continuation with the tender for *Rate Contract for Supply, Installation and Commissioning including Five (05) years Comprehensive Maintenance Contract (CMC) of Grid Interactive Rooftop Solar PV Power Plants in the Jammu and Kashmir Regions of the State floated vide NIT No: ST/EDA/RTS-Tender/84/2016-II/1516, issued on 22.05.2017.*

In view of the revision of the benchmark prices for solar PV plants based on the amendment issued by MNRE vide No.318/38/2018-GCRT, dated 15-06-2018, Jammu & Kashmir Energy Development Agency (JAKEDA) would like to seek fresh consent from all the empanelled Vendors/Firms registered in JAKEDA from time to time and also from the new Vendors/Firms fulfilling the qualification criteria and willing to match the fresh benchmark prices issued by the MNRE for each category of Rooftop Solar Power Plants, for empanelment in JAKEDA for implementation of the Grid Connected Rooftop Solar Power Plant Scheme in the Jammu and Kashmir Regions of the State.

The rates that will be applicable in JAKEDA hence forth are as follows:

Type	Category	Benchmark Cost (Rs/Wp)	
Grid Connected Rooftop Solar PV System	Upto 10 kWp	60	
	>10- 100 kWp	55	
	>100-500 kWp	53	
Grid Connected Rooftop Hybrid Solar PV System	Upto 10 kWp	6 hrs battery backup	110
		3 hrs battery backup	88
		1 hr battery backup	75
	>10- 25 kWp	6 hrs battery backup	99
		3 hrs battery backup	79
		1 hr battery backup	67

Henceforth JAKEDA would issue fresh work orders based on the above mentioned benchmark prices and the same would also be applicable for domestic sector for which no individual supply orders are being placed.

All the new Vendors/Firms seeking empanelment in JAKEDA under Rooftop Solar Scheme will have to furnish a Bank Guarantee worth Rs35 lakhs with a validity of one year and Non-refundable Document Fees of Rs20,000/- in the shape of DD favouring CEO, JAKEDA. All other technical & financial criteria/specifications along with terms and conditions mentioned in the e-tender No. NIT No: ST/EDA/RTS-Tender/84/2016-II/1516, issued on 22.05.2017 and all the corrigendums issued subsequently by the Agency would apply mutatis mutandis.
